WEEKLY HOROSCOPE

by Maleena Muzio

March 31 to April 3

Welcome back to the weekly horoscope! This horoscope is based on predictions made by AstroStyle or astrostyle.com. Keep reading to hear what to expect as the week unfolds.

Overview

Be prepared to dig beyond the surface this week. Things or words may not be exactly what they seem. You will have to be your own detective to decipher a difficult or mixed-signal scenario.

Toward the end of the week, peace between one or many people may be difficult to keep. Stubbornness and tempers may reach a breaking point in a situation that has been long put off. Come clean — address the issue before it's too late.

However, there is light at the end of the week. Your aspirations become one step closer as you build confidence. Say goodbye to imposter-syndrome and hello to courage!
