Welcome back to the weekly horoscope! This horoscope is based on predictions made by AstroStyle or astrostyle.com. Keep reading to hear what to expect as the week unfolds.

Overview

Many original and large ideas will fill your head this week. It is best to let them culminate because while they could prove successful, there is a chance that acting too impulsively will send things going down in flames. This week is all about making decisions that will continue to push you forward, whether that means cutting things or people out of your life or simply committing to a plan.

Talk to those around you and take advice from people who live your desires.

Cancer

Virgo

Libra

Your natural charm will attract many but be careful and evaluate the character of who is noticing you.

Scorpio
Oct. 24 – Nov. 21
Prioritize your health and wellness but in a fun, non-consuming way.

Sagittarius

Reconcile or rebuild a relationship with a friend.
