Kate Grudberg, 2026 NHHS Graduate, Awarded Tom Marak FPS Scholarship

North Haven: Kate, the daughter of David and Elisabeth Grudberg, has been awarded the Tom Marak Future Problem Solving Scholarship. Some of her other awards include:

- Secretary of NHHS Chapter of National Honor Society
- Co-President of NHHS Chapter of Spanish Honor Society
- 2nd Place 2025 State Competition for Creative Writing
- High Honor Roll 9th thru 12th grades

When asked about the importance and influence of the FPS program for her, she said in part, ... "Everything I have learned in this program connects to the skills I use in my daily life. I've learned to be a more critical thinker and to always have an open mind. I always say that FPS is the root to all knowledge as we truly have covered a variety of different topics that apply to all fields of study. ... I will always keep the skills I've learned in the program my whole life and would not be the person I am today without FPS. ... If I could leave behind one thing after graduation, one legacy, it would be Future Problem Solving. I will always speak loudly on how much this experience has meant to me and how crucial I believe this program is for future generations of our students."

In the fall, Kate will attend Providence College in the Honors Program, majoring in Psychology and plans to add Environmental Biology.

The FPS Scholarship was established in honor of Tom Marak, retired Social Studies and FPS Program teacher and coach. Under his direction, the students won at the State Levels. They also attended international Competition 32 consecutive years.

Contributions, of any amount, are most welcome. The check should be payable to North Haven High School Scholarship Fund and on the memo line write Tom Marak FPS Scholarship. Mail it to NHHS, 221 Elm St., North Haven, CT 06473. Attention: Nancy Parkos. Thank you.
