North Haven Garden Club Plants Post Office Window Boxes

Pictured: One of the Post Office flower boxes.

Recently North Haven Garden Club members Cristie Amato and Pete Stevenson filled the window boxes at the North Haven Post Office again this year with beautiful geraniums in pink, white and red. This is the sixth year the boxes are being filled. With help from the post office and Brenda, Pete and Cristie the window boxes are watered and feed as needed. The overwhelming positive comments the club received on this project was tremendous and we new we wanted to continue the plantings. This is just one more way the North Haven Garden Club helps beautify the great Town of North Haven.

Don't forget to check out The North Haven Garden Club on Facebook for lots of useful and entertaining information and pictures of all our club does in our great town of North Haven! For membership information please email Italia at italia_a@comcast.net.

How to Protect Your Car from Car Theft

By B.L. -- A long-term resident of North Haven, CT with 58 years of community experience

One of the most effective safety devices at your disposal is your "Key Alarm." If you find yourself in a parking lot and witness someone attempting to break into your vehicle, it's crucial to prioritize your safety: call 911 immediately, activate your Key Alarm, and continue walking to a safe location while remaining on the line with authorities.

Similarly, if you notice someone tampering with or trying to steal your car in your driveway, do not confront the individual. Instead, activate your Key Alarm and contact 911 right away.

In addition to personal safety devices, consider investing in modern security solutions such as doorbell cameras and floodlights equipped with security cameras and sirens. These systems can provide valuable protection for your property.

For me, the Key Alarm is my go-to safety measure -- it's always within reach and comes at no additional cost. Prioritizing personal safety and property protection is essential in today's environment.
