Town of No. Branford Office of Social Service

DECEMBER HOLIDAY BASKET SHARE

Over the years many community members, religious and civic organizations as well as businesses, large and small have been integral members of the community through their time, donations, and generosity. Some participate just one year or through one program. Others participate each year. Every effort is appreciated.

If you are interested in assisting an individual, family, or a child in the North Branford/Northford Community, we encourage you to do so through a variety of programs. The extent of your participation is entirely yours; no involvement is too small.

The December Holiday Basket Share Program will take place on Thursday, December 19, 2024.

For those wishing to donate a basket, you only need to call the Office of Social Service at (203) 484-6006 and express your desire to donate a Holiday Dinner Basket with or without toys. You may choose the family size you would like to adopt. You may choose to do this alone, or as a group, with neighbors or co-workers. For those donors that wish to include children's gifts, this Office will provide you with the children's wish list.

Although names are not disclosed, a number will be given to both the recipient and the donor. This is used to identify which family is the recipient. All commitments by the donor and the recipients will receive written confirmation. The Program Schedule is as follows:

Donor Drop Off: Thursday, December 19, 9:30-11am.

Recipient Pick-up: Thursday, December 19, 11:30am-1pm.

This Office of Social Service energy assistance season is now in progress for Northford and North Branford residents.

It is preferred that those that heat with a deliverable fuel such as oil, propane, or pellets are seen initially followed by utility heating customers. Utility heating customers should participate in a program offered by the utility company; there are several programs to choose from. The programs offered are medical protection, matching program, balance forgiveness and the like.

Information regarding programs offered by the utility companies is available in the Office of Social Service lobby.

There are two ways to apply, you may apply online following this link: https://portal.ct.gov/dss/economic-security/winter-heating-assistance/energy-assistance---winter-heating/how-to-apply or in this Office.

You must bring to your appointment copies of your required documents. This office cannot make copies for you. Please bring all required documents. Applications cannot be completed without the required documents, incomplete documents will result in a delay or denial.

If you are interested in applying for Energy Assistance, you may call North Branford Social Service at (203) 484-6006 to make an appointment. A list of required documents needed to complete your application is available in both public libraries, online at https://www.northbranfordct.gov/252/Social-Services. and the Stanley T. How to Protect Your Car from Car Theft

By B.L. -- A long-term resident of North Haven, CT with 58 years of community experience

One of the most effective safety devices at your disposal is your "Key Alarm." If you find yourself in a parking lot and witness someone attempting to break into your vehicle, it's crucial to prioritize your safety: call 911 immediately, activate your Key Alarm, and continue walking to a safe location while remaining on the line with authorities.

Similarly, if you notice someone tampering with or trying to steal your car in your driveway, do not confront the individual. Instead, activate your Key Alarm and contact 911 right away.

In addition to personal safety devices, consider investing in modern security solutions such as doorbell cameras and floodlights equipped with security cameras and sirens. These systems can provide valuable protection for your property.

For me, the Key Alarm is my go-to safety measure -- it's always within reach and comes at no additional cost. Prioritizing personal safety and property protection is essential in today's environment.
