Clean Energy Task Force Looking for New Members

North Haven: Are you concerned about our changing climate? Interested in helping North Haven residents, businesses, and our town government save energy and lower utility bills?

Want to help us to move to a clean energy economy? GREAT! You are just who we've been hoping would join us on the North Haven Clean Energy Task Force because we are looking for more members.

As a town-sponsored task force, we work closely with the town and residents to promote and provide opportunities for energy conservation and clean energy. We have had many successful campaigns, including promoting Home Energy Solutions energy assessments, with 40% of North Haven residents participating. We have also led campaigns to educate residents about home solar options and heat pumps, and connected them with local vendors to install these clean energy technologies so they can realize savings immediately. There is more work to be done!

Even with the clean energy setbacks at the federal level, there are many energy efficiency and clean energy rebates and services available in Connecticut.

To find out more and get involved, please contact Kenny Foscue at kfosc@snet.net or call (203) 589-1512.

League of Women Voters to Host Meet & Greets

The League of Women Voters of Hamden/North Haven invites the public to a Meet & Greet with **Districts 34 and 87 candidates** on **Tues., Sept. 29,** from **7-9pm** at the **Mildred A. Wakeley Community & Recreation Center,** 7 Linsley St., North Haven.

Incumbents Paul Cicarella and David Yaccarino, along with challengers Brandi Mandato and Kathleen Kimball, will participate. Each candidate will have five minutes to speak. Following the presentations, attendees will have the opportunity to meet the candidates, ask questions, and learn where they stand on issues that matter to North Haven residents.

A public Meet & Greet will also be held featuring **Hamden's legislative candidates** on **Thurs., Oct. 1,** from **7-9pm** at **Miller Memorial Library, Thornton Wildern Hall,** 2901 Dixwell Avenue, Hamden.

The decisions made in Hartford affect our schools, taxes, public safety, transportation, healthcare, and other issues that touch our daily lives. This is a unique opportunity to hear directly from the people seeking to represent North Haven before casting your ballot.

Whether you've already started thinking about the election or are still undecided, attending this event will help you become a more informed voter. Bring your questions, invite your neighbors, and take advantage of this chance to engage with the candidates in a nonpartisan community setting. Your vote matters—and making an informed choice begins with being informed.

Don't leave your vote to campaign ads or mailers—come hear directly from the candidates and decide for yourself.

The event is free and open to the public. Refreshments will be served.

North Haven High School Volleyball Team Car Wash Fundraiser

Pictured: A great group of the North Haven Volleyball team players.

North Haven: At McDonald's in North Haven, a group of High School girls volleyball team did a great job washing cars for a fundraiser. Thank you everyone who helped support the girls and team for this special fundraiser. You can also help by purchasing a raffle ticket. One ticket for ten dollars and three tickets for twenty five dollars. During the month of October, each day one winner will be selected to win a variety of gift cards. The money raised helps pay for equipment, senior night, travel, team training expense. Many cars stopped to have their car washed and others gave a donation. The volunteers were really an enthusiastic bunch of girls and were also helped out by a few moms. Good luck to you girls during the volleyball season and congratulations on doing a great job.

Raccoons

Raccoons are basically a nocturnal animal the size of an average dog with a distinct black face mask which helps them to see at night. Other facts include the following:

- Have five fingers which help them dig, find food and even swim
- Very intelligent, easily trained, but not recommended to have as a pet
- Color blind but sensitive to the color green
- Have an acute sense of smell
- Are excellent climbers and swimmers
- Can be carriers of several diseases including rabies
- Can make over 50 sounds that help them communicate
- Diet consists of berries, insects, fish, snakes and frogs
- Are still hunted for their pelts and some become table food
- If threatened, raccoons can become defensive. Predators include hawks and coyotes, and there is also the danger of cars on the road.
