Warming Center at Keefe Community Center in Hamden

The Town of Hamden, in partnership with Columbus House, Inc., will open an overnight winter warming center for those experiencing homelessness in our community.

Hamden's Warming Center will be open now through March 31st, from 7pm-7am, seven nights a week. It will be stationed at the Keefe Community Center Gym, located at 11 Pine St in Hamden. Please enter through the George Street parking lot, located at 19 George St.

The Warming Center will be operated by trained Columbus House staff who will monitor overnight shifts and share community outreach information with our guests.

The Warming Center is not a "shelter" as no beds will be provided. It will offer a clean, safe, indoor overnight space to protect those in need from harsh weather conditions for those who would likely otherwise spend their nights outdoors. Hamden Police will provide walk-throughs on a nightly basis.

Organizations or agencies that are interested in providing dinners and breakfasts are encouraged to contact Columbus House at (203) 401-4400, ext. 138 or by email at sdimario@columbushouse.org.

Residents wishing to contribute to the Warming Center may do so by donating items such as non-perishable, pre-wrapped snack food items and beverages. Donations of new socks, new underwear, gloves, hats, umbrellas, and rain ponchos are also welcome.

Donations may be dropped off at the Keefe Community Center between the hours of 8:30am and 4:30pm, Monday through Friday. Donation receipts will be available.

For further information, please contact:

EMERGENCIES ON BOARD: PREPARATION FOR HANDLING COMMON PROBLEMS

New Haven Sail & Power Squadron, part of America's Boating Club, will hold a 2-hour seminar for boaters who need information about emergenies on the water.

No one wants to think about it, but emergencies happen on boats. Be prepared for a variety of boating mishaps, medical emergencies, and other crises! Prevention and preparation make all the difference. This seminar will prepare you to handle common emergencies that can happen when you are on your boat and away from the dock, whether you venture out for the day or are leaving on a longer cruise. You will learn how to deal with them as they occur and especially when the skipper is unable to respond.

Upon completion of this seminar, you will have gained an understanding of the most common types of vessel emergencies and how to deal with them, how to handle onboard fires, how to recognize and prepare for medical emergencies and how to communicate with crew, other boats, and first responders.

Class will be held from 9-11am on Sat., Feb. 22, at Indian Neck Yacht Club, 87 Harding Avenue, Branford.

All students must sign up by Wed., Feb. 19. People can sign up online and charge it to a credit card. The class costs $10 per person.

To register and pay online, use the Zeffy link that follows. https://www.zeffy.com/ticketing/emergencies-on-the-water. There is no processing fee. Or, contact Squadron Education Officer Peter DePascale at (203) 671-2420 and leave a message, or email him at bathworksinc@gmail.com.

New Haven Sail & Power Squadron (NHSPS), is a 501(c)(3) nonprofit educational organization dedicated to making boating safer and more enjoyable by teaching classes in boat handling, navigation, and related subjects. For information on NHSPS, go to: www.nhsps.org.
