North Haven Garden Club February Meeting Features Honeybees With Alan Riggs

Pictured: Bee hive, and honeybee loaded with pollen.

North Haven Garden Club will hold an open meeting ($5.00 suggested donation) on February 13th at the North Haven Congregational Church, across from the green, at 7:30 PM. The topic of the meeting will be "Bee Keeping" featuring speaker Alan Riggs.

Alan's presentation will focus on the background of the life of a honeybee and the social structure of the colony, he will talk about what is involved in being a beekeeper. Bees are critically important for the pollination of our crops and native plants.

After being on earth for more than a few years Alan could probably write a book, but here's the Readers Digest version.

Alan is a lifelong resident of North Haven and has worked both full and part time as an mechanic before becoming a professional firefighter here in North Haven. In 1997, Alan returned to CCSU to complete degrees in Technology Education and STEM Education.

After 35 years Alan retired from the fire department and took a job as a Tech Ed teacher at Lyman Hall High School and currently teaches at Moran Middle School also in Wallingford.

Alan always thought that he wanted to become a beekeeper. Some 20 + years ago he discovered that his friend, Ray Sola had started beekeeping a year earlier and Alan joined him in that endeavor. Alan and Ray currently have about 100 hives around the New Haven area.

Light refreshments will be served. Hostesses for the evening will be Cindy Adinolfi, Maryann Angelopolous and Linda Lianos, with the table arrangement provided by Dianna Ramadei.

FUN FACT- Connecticut has over 300 species of bees, including but not limited to honey bees, bumble bees, carpenter bees, and squash bees. These bees are important pollinators for the state's flowers, fruits, and vegetables. Be a Bee Conservationist: you can help by protecting nesting sites form physical or chemical damage, keeping pesticides away from flowering plants and bee nesting areas, and maintain healthy lawns to prevent ground bees from nesting.

Don't forget to check out The North Haven Garden Club on Facebook for lots of useful and entertaining information and pictures of all our club does in our great town of North Haven! For membership information please email Italia at italia_a@comcast.net.

North Haven Garden Club is a member of The Federated Garden Clubs of Connecticut Inc., New England Garden Clubs Inc., and The National Garden Clubs Inc.

Town Issues Reminder on Clearing Sidewalks

Wallingford: Mayor Vincent Cervoni has issued a reminder to all Wallingford residents, property owners, businesses and occupants of properties regarding their responsibility for the care of the abutting public sidewalks.

Municipal Ordinance #198-11 requires that snow and ice be removed from the sidewalk by the abutting property owner, following the end of the storm. Sidewalks must be cleared of any snow or ice, within eighteen (18) hours after the end of the storm. If the storm ends at night, the deadline for removal of any snow and ice will be eighteen (18) hours after sunrise.

The minimum cleared width of the path shall be three (3) feet. In no case shall snow from private property be deposited in the public roadway.

In the event that the ice cannot be removed, the property owner must make the sidewalk safe and passable, which may include the placement of sand or other suitable deicing materials.

Failure to comply with the provisions of this Ordinance can result in a $25.00 per day fine for each day the snow is not removed and the actual cost for the Town to clear the sidewalk.

The Mayor has asked for everyone's cooperation on this important issue.

Questions concerning this Ordinance may be directed to the Town of Wallingford Department of Engineering at 203-294-2035.

Attention: 18-19 Year Olds

I am a retired New York City high school guidance counselor. With the help of students and adults, I have developed and facilitated a program known as the "Anger Management Power (A.M.P.) Program." I'm the author of the book entitled, *Peace the Other Side of Anger* (2011), based on this program for parents/guardians and professionals helping youngsters handle anger in positive ways.

I'm in the process of revising this book by adding additional chapters on the pandemic, gun violence, and social media -- all of which had not existed or have the impact they have today. Your opinions are valuable and your perceptions meaningful. Three surveys on these subjects have been created and need your input. Your names will NOT be used. The only identifying information will be your gender, age and grade.

Please access these surveys on the link and/or QR Code shown here. They should only take you a few minutes to complete.

Thank you for your participation.

New Collection Method for Bulk Trash in Hamden

The Town of Hamden has moved towards a new method of collecting residential bulk trash by appointment-only.

Residents may receive one (1) free appointment-only bulk trash pickup between January 1, 2025 and June 30, 2025. Residents may receive two (2) free appointment-only bulk trash pickups within each of the subsequent contract years, from July 1 to June 30 of each year, e.g. July 1, 2025 to June 30, 2026 and so forth.

To receive a bulk trash pickup, Hamden residents should make an appointment by contacting All American Waste at (203) 503-3782 no later than 1pm on the day prior to your regular trash collection day. Please place your bulk trash at the curb for collection before 6am.

All American Waste will maintain a record of all resident bulk trash pickup requests and will provide the Town with this information on a weekly basis.
