Chase Your Dreams

We are only on this Earth for a very short time so be humble, be kind and always set the right example for the next generation.

Nobody is infallible, we all have made mistakes and done things that we are not proud about. By acknowledging our transgressions it will enable us to move forward in a positive way. Yes, we can be forgiven and this will allow us to forgive others who judge us. Determination, fortitude and willpower will help us to avoid mistakes in the future.

In the meantime, chase your dreams, be kind and be safe.

As Albert Einstein said, "There are only three things you can never buy, but only earned, a calm mind, a healthy body and a home full of love."

Pictured: Debbie at the Miller Memorial Library and planters at the Government Center.

Hamden: Members of The Spring Glen Garden Club tend to the plants at the Government Center and the Miller Library on a weekly basis.

The Garden Club ongoing projects includes the gardens and planters in Spring Glen, Poppy's Garden on the Farmington Canal Trail and the Historical Herb Garden at The Jonathan Dickerman House, watering the plants at the Government Center and the Miller Library.

The Club donated 10 American Elm hybrid trees to the Hamden Center Park as a result of its successful Wreaths for Trees program.

Other projects of the Club were a Rhododendron Garden at the entry to Lockwood Cottage and the Red Oak tree (Quercus rubra) affectionately known as "Annie Oakley" planted in the Eli Whitney Park.

The Club has been a fixture in the Hamden community since 1925, a chartered member of The Federated Garden Clubs of Connecticut, Inc., and National Garden Clubs, Inc., since 1929. Please stop by our historical display in hall outside the Miller Library in front of the Thorton Wilder Auditorium.
