North Haven DTC Honors Martin Luther King Jr. With Day Of Service

North Haven: In honor of Dr. Martin Luther King Jr.'s legacy of service and community building, members of the North Haven Democratic Town Committee (DTC) came together to assemble care packages for individuals experiencing homelessness and those in transitional housing.

Thanks to the generosity of local donors over 75 care packages were assembled. An additional 75 pairs of socks were also donated to further support the effort. Each care package included essential winter items such as gloves, blankets, socks, handmade soap, winter hats, hand warmers, neck gaiters, and a drawstring backpack bag.

Twelve dedicated local Democrats joined forces to assemble the packages, which will be delivered this week to the APT Foundation in North Haven. The foundation provides critical resources and support to those in need, and the care packages will serve as a small but meaningful gesture of compassion during the winter months.

"We are so grateful for the support of every volunteer who made this day of service possible," said Tim Gabriele, Chair of the North Haven DTC. "Dr. King's legacy reminds us of the importance of giving back and uplifting one another. As we reflect on his teachings, let's carry this spirit of generosity into 2025 and the years ahead."
