Hamden Chamber Presents: Centennial Lecture Series: From Vision to Reality, The Man Behind Hamden Center

In celebration of the Hamden Regional Chamber of Commerce's 100th Anniversary, we are proud to host the inaugural Chamber Centennial Lecture Series: From Vision to Reality: Don Camerato, The Man Behind Hamden Center, hosted by Haven Beer Company, located at 2323 Whitney Avenue, on Wed., April 30, from 5-7:30pm.

The Chamber has partnered with Quinnipiac University students to highlight a pivotal moment in the town's history -- the creation of Hamden's Town Center and Don Camerato's role in shaping its development.

Don Camerato has been a major force in the Hamden business community since he started, in men's clothing, at age 19. Hamden Center, the office and retail buildings at the corner of Dixwell and Whitney Avenues, was Don's vision. Don's own store, D'Camm Ltd, started in the castle-styled building on Whitney Avenue, and was a fixture for decades in a few different buildings on the site. Don will explore the early efforts and vision that transformed that corner from a quiet suburban area into a thriving economic and social hub. The establishment of Hamden Center was a direct result of his efforts. Local leaders, backed by the Chamber, worked to attract new businesses, improve roads and public spaces, and create a vibrant commercial district. The result was a bustling center that became the heartbeat of Hamden, fostering business growth and community engagement. Join us and hear a captivating story that can only be told by Don.

The Hamden Chamber of Commerce continues this legacy today by supporting local businesses, advocating for economic development, and preserving the town's rich history. As we reflect on Hamden's transformation, we invite the community to join us in celebrating these milestones and sharing their own memories.

Reserve your seat by emailing hcc@hamdenchamber.com, online registration at www.hamdenchamber.com or call (203) 288-6431.

Cost: $25.00 includes reception. Limited space available.

The North Haven Democratic Town Committee (DTC) is seeking passionate and community-minded individuals to run for public office in the upcoming November municipal election. This is a chance to serve your neighbors, shape local policies, and help build a stronger future for North Haven.

Seats are up for election on key boards and commissions, including the Board of Selectmen, Board of Education, Board of Finance, Police and Fire Commissions, Board of Assessment Appeals, Treasurer, and Planning and Zoning, among others. The DTC is looking for candidates who are ready to bring fresh ideas and a commitment to public service.

Interested individuals should submit a resume and letter of intent to: info@northhavendemocrats.com. The Nominating Committee will begin reviewing applications in mid-April and reaching out to potential candidates to schedule interviews.
