Graduation Was A Long Wonderful Journey

Hamden: On Friday, June 5, at Hamden Hall High School many students finally graduated after a long wonderful journey. Through hard work and dedication this day has finally come with many inspiring goals for years ahead. Many students are continuing with college education, and others are going into jobs they received their education for. Students, teachers, and family and friends sat under a huge white tent with many assigned seats for all family and friends that were in alphabetical by the students last name. Teachers and students who were recognized for their work gave wonderful speeches. All the students went up one row at a time to receive their well deserved diploma. It was a great day for all students who received their diplomas, and family to see their children graduate. After the ceremony, there were tables set up with delicious snacks fresh fruit and vegetables, cheese and crackers, dip, and there were also volunteers who came around serving shrimp, eggplant parmesan pieces, water and lemonade were also available for all to enjoy. Many pictures were taken for this wonderful occasion. Good luck is wished to all the students for a great future ahead of them. *Story and photos by Jo Ann Buccetti*
