Nov. 15 to Nov. 21

Welcome back to the weekly horoscope, or hello if you are new! Horoscopes are featured in the print edition of the paper and change weekly. All predictions are based on readings by AstroStyle or astrostyle.com. Keep reading to hear what your future holds!

Overview

The most charming people often never give all their secrets away. While you may draw the attention of many this week, it's important to balance relatability and your privacy. If you have an acquaintance or new friend who pushes too far, go ahead and set your boundaries.

Aries
March 21 – April 19
A new romance is heading your way. Be yourself and tell the truth to rule out who is or is not a match.

Taurus
April 20 – May 20
Anticipating a conflict when you head home next week? It might be a good idea to brush up on mindfulness practices to keep things cool this holiday season.

Gemini
May 21 – June 20
Basic small talk could help you establish an important connection this week — either for your career, personal life or both!

Cancer
June 21 – July 22
Thinking of starting a business or side hustle? Go for it!

Leo
July 23 – Aug. 22
You might experience a surge of energy early in the week, followed by a crash. Be sure to listen to your body and get the rest you need.

Virgo
Aug. 23 – Sept. 22
Connect with your loved ones this Thanksgiving and realize what is important to you. Let go of memories from the past that are dragging you down.

Libra
Sept. 23 – Oct. 23
Your social life will be buzzing this week. Hang out with some new faces but make sure to prioritize your day ones.

Scorpio
Oct. 24 – Nov. 21
It's okay to stand up for yourself and advocate for the things you deserve.

Sagittarius
Nov. 22 – Dec. 21
Just because your plan hit some bumps in the road doesn't mean the journey needs to end altogether. Work out solutions to continue moving forward.

Capricorn
Dec. 22 – Jan. 19
Look to your friends for comfort and to help declutter your life. Sometimes you maintain privacy a little too well.

Aquarius
Jan. 20 – Feb. 18
Try your best to find a good work-life balance this week. Romance and your career will be boosted soon. Be careful not to let one or the other steal all your attention.

Pisces
Feb. 19 – March 20
Take care of yourself this week. While productivity is coming your way, make sure to get rest to avoid burnout.
