Weekly Horoscope

by Maleena Muzio

Nov. 1 to Nov. 7

Welcome back to the weekly horoscope, or hello if you are new! Horoscopes are featured in the print edition of the paper and change weekly. All predictions are based on readings by AstroStyle or astrostyle.com. Keep reading to hear what your future holds!

Overview

Mercury is in retrograde again and is trying its best to conceal or help you conceal your secrets. But don't get too comfortable in the dark. By Wednesday, the sun will align with Mercury, illuminating some of these secrets, fears or untold truths. Try to keep your head on your shoulders and maintain a healthy balance of what you do and don't share with others — and with whom you share things with.

Aries
March 21 – April 19
Pay careful attention to details this week, whether that means proofreading an essay or text, or simply examining your surroundings.

Taurus
April 20 – May 20
Accentuate your living space with new details. Maximize comfort and get some rest.

Gemini
May 21 – June 20
You will be magnetic this week. Turn your flirting game up and take a chance.

Cancer
June 21 – July 22
Do not engage with any blasts-from-the-pasts. Nostalgia could lead you to romanticize a relationship that is not worth your energy.

Leo
July 23 – Aug. 22
It might be worth it to have an important conversation with someone who's upsetting you instead of lashing out.

Virgo
Aug. 23 – Sept. 22
For you, Virgo, basking in nostalgia and acting on it could serve you well. Reach out to an old friend and grab coffee!

Libra
Sept. 23 – Oct. 23
Take a step toward your career. An old connection could lead you to a new opportunity.

Scorpio
Oct. 24 – Nov. 21
Look inward into your circle. Decide who's on your team and who has self-serving interests.

Sagittarius
Nov. 22 – Dec. 21
Say hello to new faces. Neighbors, friends of friends or even acquaintances could become your new best friend.

Capricorn
Dec. 22 – Jan. 19
If you are working on a group project or a team, make sure everyone is on the same page with the task at hand to avoid potential arguments or misunderstandings.

Aquarius
Jan. 20 – Feb. 18
Hit the brakes and slow down a little bit this week. Your goals don't need to be achieved at once. It's better to complete something well than quickly.

Pisces
Feb. 19 – March 20
You may experience a lack of patience this week — take a step back from things before blowing a situation out of proportion.
