Weekly Horoscope

by Maleena Muzio

Oct. 5 to Oct. 11

Welcome back to the weekly horoscope, or hello if you are new! Horoscopes are featured in the print edition of the paper and change weekly. All predictions are based on readings by AstroStyle or astrostyle.com. Keep reading to hear what your future holds!

Overview

New feelings and realizations will come to the surface early this week, although it may not be the perfect time to bring them up. Make note of these feelings, but it could be worthwhile to wait things out (or keep track of more issues) before confessing. While you put that conversation on the back burner, take advantage of the Libra New Moon on Saturday and realign your actions with your goals.

Aries
March 21 – April 19
It's almost impossible to find something (or someone) if you don't go looking. Go for it and put yourself out there this week.

Taurus
April 20 – May 20
A little decorating or romanticization can make your daily tasks more enjoyable.

Gemini
May 21 – June 20
Get out and enjoy the sun. A little bit of crisp fall air may be what you need to settle your nerves.

Cancer
June 21 – July 22
Impulsivity may come over you this week — just don't let your shopping habits bleed into your personal relationships.

Leo
July 23 – Aug. 22
Address that issue with someone in your circle. Something may be revealed that will broaden your perspective and soften your annoyance.

Virgo
Aug. 23 – Sept. 22
An unexpected friend may come your way; this could be a coworker, classmate or even a neighbor.

Libra
Sept. 23 – Oct. 23
Keep your schedule open — this week, someone may ask you on your dream date (or hangout).

Scorpio
Oct. 24 – Nov. 21
Seek the closure you need and leave the past behind you.

Sagittarius
Nov. 22 – Dec. 21
A new, long-term friend group may assemble this weekend.

Capricorn
Dec. 22 – Jan. 19
Get out of the house this week — you might stumble across a new hobby or even a new partner.

Aquarius
Jan. 20 – Feb. 18
Take the steps to set your much needed getaway trip into motion.

Pisces
Feb. 19 – March 20
A shocking confession may come out — let your self-love guide you through it.
