Weekly Horoscope

by Maleena Muzio

Sept. 28 to Oct. 4

Welcome back to the weekly horoscope, or hello if you are new! Horoscopes are featured in the print edition of the paper and change weekly. All predictions are based on readings by AstroStyle or astrostyle.com. Keep reading to hear what your future holds!

Overview

Brace yourself — fire is coming your way. The beginning of an intense relationship cycle will begin this week; be cautious not to let the fire burn out too fast. However, romance won't be the only thing on your mind this week; new ideas and creative outbursts will sweep you off your feet. Get to work and good luck!

Aries
March 21 – April 19
Catch yourself before falling too deep. A new romantic interest may charm you; make sure you get to know them before making commitments.

Cancer
June 21 – July 22
Your charm will draw everyone to you this week. Just be careful of letting certain familiar faces back in.

Gemini
May 21 – June 20
Let go of the past, whether that be old clothing, decorations or a relationship. A promising new partner, and friendship, may be coming your way.

Leo
July 23 – Aug. 22
Rest and relax! It's okay to cancel plans to regroup but continue to prioritize those closest to you.

Scorpio
Oct. 24 – Nov. 21
Be careful not to spill tempting secrets. Keep your privacy and your friends' in mind.

Taurus
April 20 – May 20
Make the first move — after you decide what you are looking for, of course. Indecisive Libra (where the sun is now) may have you reconsidering your relationship goals.

Pisces
Feb. 19 – March 20
Fear of conflict should not keep your feelings hidden. A situation may even improve once you bring up what's bothering you.

Libra
Sept. 23 – Oct. 23
Don't hang on to someone or something that wants to be let go. Closing one door will open many new ones.

Sagittarius
Nov. 22 – Dec. 21
Visualization and goal setting will get you where you want to be.

Aquarius
Jan. 20 – Feb. 18
Don't let your relationship goals boil over your head; be realistic when setting those parameters.

Virgo
Aug. 23 – Sept. 22
Be prepared to get booked and busy! Everyone will reach out to make plans, maybe even someone who's been on your mind. Be direct in navigating who you do and don't want to see.

Capricorn
Dec. 22 – Jan. 19
If something is bothering you, speak up! One small action can make change.
