Welcome back to the weekly horoscope, or hello if you are new! Horoscopes are featured in the print edition of the paper and change weekly. All predictions are based on readings by AstroStyle or astrostyle.com. Keep reading to hear what your future holds.

Overview

Who remembers the story of "The Tortoise and the Hare"? Well, this week, be like the tortoise and choose patience. Set time aside to plan your goals or tasks, so when you get around to completing them, they will be easier (and faster) to achieve. Afterall, a long Pluto Retrograde ends this week, bringing change.

Aries
March 21 – April 19
A little grace may go a long way. Be willing to hear someone else's side of the story.

Taurus
April 20 – May 20
Frustration has reached its end! Ideas and opportunities are coming your way.

Gemini
May 21 – June 20
You may stumble across a new partner, friend or study-buddy this week. Go out and mingle!

Cancer
June 21 – July 22
Get it out — it's time to share a secret or something that's been on your mind.

Leo
July 23 – Aug. 22
Be careful not to share everything that's on your mind, Leo. It may be best to safeguard some feelings for a while.

Virgo
Aug. 23 – Sept. 22
Take charge and be a leader. Apply for that position or guide a group toward success.

Libra
Sept. 23 – Oct. 23
You will feel like yourself again this week. Expect a wave of energy and excitement.

Scorpio
Oct. 24 – Nov. 21
Routines will be essential this week. They will allow for extra downtime.

Sagittarius
Nov. 22 – Dec. 21
You will find the words to say exactly what's been on your mind.

Capricorn
Dec. 22 – Jan. 19
Set your boundaries and have a conversation if someone violates them.

Aquarius
Jan. 20 – Feb. 18
Something good is coming your way, but you need to push your guard down to let it in.

Pisces
Feb. 19 – March 20
Complete trust should be a limited privilege — keep it that way.
