

THE DAILY CAMPUS CROSSWORD
AND SUDOKU

WEEKLY HOROSCOPE

by Maleena Muzio

Sept. 13 to Sept. 20

Welcome back to the weekly horoscope, or hello if you are new! Horoscopes are featured in the print edition of the paper and change weekly. All predictions are based on readings by AstroStyle or astrostyle.com. Keep reading to hear what your future holds.

Overview

Freedom and control will balance themselves out this week. You may find yourself taking needed steps to reclaim your power, and in turn, open doors leading to greater choice. Confidence brews from the Black Moon Lilith moving into Capricorn on Monday and newfound free time comes from Friday's quarter moon in Sagittarius.

Aries

March 21 – April 19

The line between friendship and romance may become increasingly blurry in the next few days.

Taurus

April 20 – May 20

It's time to throw your detective hat on — pay close attention to intention and others' self-serving plans.

Gemini

May 21 – June 20

Later in the week, take a chance and revive an old friendship (with caution, of course).

Cancer

June 21 – July 22

Ease your way into your health or fitness goals. It also may be time to schedule that doctor's appointment you've been putting off.

Leo

July 23 – Aug. 22

It's going to be very difficult to avoid controversial, unusual conversations early this week.

Virgo

Aug. 23 – Sept. 22

Don't give in to distractions this week, even though they may appear everywhere. Make sure you check off the essential items on your to-do list before committing to hours of fun plans.

Libra

Sept. 23 – Oct. 23

Take a friendship or relationship into deep consideration — is it serving you positively?

Scorpio

Oct. 24 – Nov. 21

Set the boundaries you deserve — but be weary of letting your temper do the talking.

Sagittarius

Nov. 22 – Dec. 21

Old wounds from a relationship may begin to resurface and heal.

Capricorn

Dec. 22 – Jan. 19

A vision board will be your best friend in achieving your manifestations.

Aquarius

Jan. 20 – Feb. 18

Keep your competitiveness in check, even when pursuing your goals, to keep your relationships intact.

Pisces

Feb. 19 – March 20

Treat yourself to a well-deserved night of rest — whatever that may mean for you!

ACROSS
