It is a salute to our country's military personnel, veterans and first responders. The public is invited to participate by purchasing a U.S. flag dedicated to a member of our military, first responder or anyone else close to your heart. The flags will go on display on the Town Green from the weekend before Veterans Day on **Sunday, November 8**, and **displayed until November 29**. Each flag, 12"x1 8", will have a white ribbon attached to it inscribed with the name and rank of the soldier, first responder or loved one. Flags will be available for collection by purchaser until November 29 from the lawn at the North Haven Town Green. Proceeds will benefit the local veterans' projects. The cost per flag is \$10. There is no limit on purchases, but all forms must be received no later than Oct. 21.

### Wanted: Permission to Metal Detect

Hi, we are Katrina and Bryan Bennica, we're respectful local metal detectorists looking for permission to detect private property, (yards, fields or homesteads). We enjoy metal detecting as a hobby and always take good care to respect the land. We metal detect for the love of history. Our goal is to uncover and learn about pieces of history that may be hidden beneath the surface "Because history isn't just in books -- it's still in the ground."

We dig neat plugs. Remove all the trash that we find and leave the property like we found it. We would be happy to share any interesting finds with you, and of course if there's something you would like to keep it would be yours. We also have extra metal detectors available, you're welcome to join us if you're interested--it can be fun and a fascinating way to explore the history of your land together.

We can provide a Metal Detecting Waiver and Release of Liability Form upon request.

If you're open to this, we'd be happy to discuss any conditions that you prefer, including dates, times or areas to avoid. Thank you for considering this request. We would treat your property with the utmost respect, carefully replace any soil or grass, and remove any trash found.

We truly appreciate your consideration and would be grateful for your permission.

"Join us as we uncover and share the history hiding under our feet and uncover the small pieces of history time forgot."

Sincerely, Katrina and Bryan Bennica
