Goodwill Announces Cancellation of 2026 Fantasy of Lights Following Severe Storm Damage to Lighthouse Park

New Haven: Goodwill of Southern New England has announced with deep regret and heavy hearts that its signature annual holiday event, the Fantasy of Lights at Lighthouse Point Park in New Haven, will not take place for the 2026 season. Severe storm damage sustained across Lighthouse Point Park has left the grounds unsafe for large-scale public access, leading the City of New Haven and the Department of Parks and Recreation to determine that the park cannot safely accommodate the drive-through event this year.

For more than three decades, the Fantasy of Lights has stood as an iconic holiday tradition for thousands of families across Connecticut and Rhode Island. The cancellation represents an unprecedented and painful pause for an event that has brought festive cheer, wonder, and multi-generational memories to the region for 31 consecutive seasons.

The organization extends its deepest, most sincere gratitude to the dedicated network of supporters who have made the event possible year after year.

To keep the holiday spirit shining and offer the community a meaningful moment of togetherness, Goodwill of Southern New England will host a small **Tree Lighting Ceremony at the Lighthouse Point Park pavilion on Thurs., November 19, beginning at 4pm.** While the full drive-through light display cannot safely operate this year, this intimate gathering invites neighbors, volunteers, long-time attendees, and supporters to come together safely, share in the warmth of the season, and celebrate the enduring community bond that has illuminated the park for decades.

Beyond serving as a beloved family tradition, the Fantasy of Lights is Goodwill of Southern New England's largest signature fundraising event. Proceeds from every vehicle admission and corporate sponsorship directly fund the organization's person-centered employment training, educational programs, and essential support services, which empower more than 1,000 local individuals of all abilities—including those with disabilities and other barriers to employment—each year.

The unexpected cancellation leaves a critical funding shortfall for these life-changing community programs. Goodwill warmly invites community members and long-time attendees to help bridge this gap during the holiday season. Supporters can make a direct, tax-deductible donation online at: www.goodwillsne.org or support Goodwill's social enterprise model by shopping and donating at Goodwill retail stores and donation centers across south-central and eastern Connecticut and Rhode Island.

Every item donated and every purchase made at Goodwill retail locations directly generates vital revenue that is reinvested into workforce development, skills training, and employment opportunities for individuals striving for personal and financial independence.

Marine Navigation Seminar for Boaters

New Haven Sail & Power Squadron, part of America's Boating Club, will hold a two-hour seminar for boaters who need information about marine navigation. Class will be held on Sat., November 14, from 9am-11am, at Branford Fire Headquarters, 45 North Main St., Branford.

This seminar offers practical instruction from experienced boaters who share our commitment to having a safe, enjoyable time on the water. It will cover real-world navigation techniques you can use right away, whether you captain a cruiser, sailboat, or small powerboat.

All students must sign up by Sat., Nov. 7. People can sign up online and charge it to a credit card. The class costs $10 per person. To register and pay online, use the Zeffy link that follows. https://www.zeffy.com/en-US/ticketing/marine-navigation-seminar. There is no processing fee. Or, contact Squadron Education Officer Marshall Quin at (203) 314-5395 and leave a message, or email him at wmarshallq@gmail.com.

New Haven Sail & Power Squadron (NHSPS), is a 501(c)(3) nonprofit educational organization dedicated to making boating safer and more enjoyable by teaching classes in boat handling, navigation, and related subjects.

For information on NHSPS, go to: www.nhsps.org
