Plaques to be Provided Identifying North Haven's Historic Homes

The North Haven Historical Society & Museums is excited to announce that it will be providing plaques to historic homeowners.

Signage identifying historic homes is often seen in communities that value their historic resources. These plaques are a public "thank you" to the owners for maintaining these properties. They also showcase the historical provenance of these homes. The Historical Society believes that providing these plaques, free of charge to the homeowners, is one way they can promote a greater knowledge and appreciation of local history.

The North Haven Historical Society & Museums is now in the process of identifying homes/properties of historic interest. The Historical Society is most interested in suggestions from residents.

Individuals who believe their homes/properties should be so identified please contact us at (203) 39-7722 or email us at nhhistsoc@gmail.com.

If you know of a property in your neighborhood that you believe should be identified, please reach out to us, as well. Once the society has finalized the first group of properties to be acknowledged, owners of those homes will be contacted by mail. Participation is voluntary, and property owners will be fully informed of the history of their property, the size and appearance of the plaque, and placement details.

Eventually the Society would like to provide markers for all its historic properties; we hope you can help us with this project!

K of C February Family Of The Month

Hamden: The Knights of Columbus Saint Paul VI Council 14664 has selected the Sette Family as February's Family of the Month.

Fred and Barbara Sette have been lifetime parishioners of Saint Paul VI for well over 50 years. Both were very active in the Saint Joan of Arc community, teaching CCD and being members of their Parish Council. Fred also served as Trustee. Fred continued his work being on the SPVI Parish Council and also being a member of the Finance Committee. Barbara was a member of the Social Justice Committee. Going beyond their work in parish related activities – both have been active in our broader Hamden community. Barabara served on the Auxiliary of the NHSO and Hospital of Saint Raphael boards. She is currently a member of the Hamden Women's Club. Fred served as past president for the Amity and Rotary Clubs and continues to work on the Hamden Develop Commission.

Blessed is the SPVI parish for having the Sette's continue in their faithful service. This service, exemplifies the importance of how sharing talent, time and treasure benefit all who are part of our parish and the greater Hamden community.
