North Haven Garden Clubs Junior Gardeners Club News

North Haven: The North Haven Garden Clubs Junior Gardeners have been busy planting this years crops between the raindrops. At some point on every Saturday except one, its been overcast and showers have been knocking on the door when we work in the gardens at Faith United Methodist Church. Memorial Day weekend members of the garden club did the planting, leaving some veggies and marigolds for the kids to plant. Despite this small problem we were able to plant all the seeds, seedlings and plants in the 4 plots we care for. So far this is what has been planted: butternut squash, zucchini, yellow squash, pumpkins, 2 types of watermelon, string beans, green peppers, 3 types of tomatoes, cucumbers, corn, potatoes, kale, lettuce, peas, radishes, basil, parsley and oregano that came back from last year. I could have missed a plant or two, but we did plant a lot again this year. We even have a resident bunny who doesn't seem to mind when we are working in the gardens, he kinda just observes what's going on from a distance. All we need is sunshine to help the veggies grow.

Again, we would like to welcome our new members and can't wait for see our old members once school is out. The kids are all so excited to participate in all the activities that go with caring for a garden, they don't mind weeding every week, but right now there favorite thing to do is plant.

Members from the North Haven Garden Club who help with the maintenance and work with the kids are Maria Yankura, Cindy Golia, Lee Fermo, Marge Quinn, Carmen Sealy and Dianna Ramadei.

Don't forget to check out The North Haven Garden Club on Facebook for lots of useful and entertaining information and pictures of all our club does in our great town of North Haven! For membership information please email Italia at italia_a@comcast.net.
