A Fourth of July Safety Message

To The Editor: June 18, 2025 Independence Day is quickly approaching. Families are preparing for a weekend filled with fireworks, cookouts, and lasting memories. As we put on our red, white, and blue this Fourth of July and raise a glass to this beautiful country we call home, Anheuser-Busch and Dichello Distributors, INC ask that you leave the keys behind if your plans include drinking.

Before the fireworks are lit and you take that first sip, plan ahead for a safe ride home. Drunk driving and boating are 100% preventable, and choosing a safe ride is a simple act that helps protect the people of Connecticut. Together, we can ensure our communities remain safe and that the celebrations can continue with friends and family.

Over the last 35 years, Anheuser-Busch and its network of independent wholesaler partners have invested more than \$1 billion in community-based programs and initiatives to prevent underage drinking, impaired driving, and other harmful uses of alcohol. All of us at Dichello Distributors, INC, are proud to once again work with Anheuser-Busch, MADD, and Uber to encourage you to Decide to Ride this Fourth of July.

We're proud to be a part of so many July 4th celebrations and encourage everyone in the Connecticut community to prioritize safety. From all of us at Dichello Distributors, INC and Anheuser-Busch, we wish you a happy Independence Day and thank you for your continued support.

Sincerely, Geoffrey Acampora, Dichello Distributors, INC.
