DAV fight for the rights of all ill and injured veterans. They provide transportation to veterans who need help getting to and from medical appointments. year. The garden by the Bank of America shows off the American flag flanked by red, white, and blue petunias. The garden by Walgreen's Pharmacy displays the American flag with a barrel of red, white, and blue flowers on either side.

Every year the Blue Star Memorial on our Town Green is designed with flowers in red and white stripes, with blue flowers in the center. The Blue Star Memorial is located with the other memorials on the Green for service veterans. The Blue Star gives recognition not only to those who served in past wars, but also recognizes those serving at the present time, and those who will serve in the future.

Trees -- Don't Take Them for Granted

Trees make our environment livable by taking in carbon dioxide, releasing oxygen and filtering our air. Other facts about trees are as follows:

- They provide shade which keeps our planet cool.
- Trees prevent erosion of soil on slopes, rivers and lakes.
- Trees provide homes, shelters and refuge for birds.
- They provide us with many wood products and chemicals.
- They provide us with many medicines and paints.
- Lumber from trees provide us with building materials.
- It is no wonder that trees add value to one's property.
- There are many trees which produce fruit and berries.
- Sadly, there are hundreds of acres that are destroyed in our rainforest each year.
- A world without trees would have a negative effect on mankind.
