North Haven Teen Lucas Santanello Of Troop 633 Completes Eagle Scout Project For Branford VFW

North Haven: Lucas Santanello, a 17-year-old North Haven resident, recent graduate of NHHS and member of Troop 633, has just completed his Eagle Scout service project to honor local veterans. National records show that only about 6% of all Scouts ever reach the rank of Eagle Scout, making Lucas's achievement a remarkably rare milestone.

Lucas designed, raised funds, and built a custom retirement flag drop box for the veterans at the VFW Post 12106 in Branford. This dedicated dropbox provides community members with a respectful, secure place to deposit worn and tattered American flags which are then collected and retired by the scouts in accordance with proper traditions.

The project required weeks of planning, leadership, and community coordination. It is the culmination of Lucas's more than a decade-long journey in scouting with Troop 633. The box has now been officially installed at the Branford VFW, providing a lasting service to both the veterans and the local community.
