Fall Bulk Pickup Continues

The **North Haven** Fall Bulk Pickup continues through this week, September 21-25.

Our crews will complete their regular daily sanitation and recycling routes first. Bulk pick up will begin AFTER all regular routes are complete using different vehicles. Please be patient if your bulk items are not picked up immediately on your scheduled pick up day.

As a reminder, regular household garbage and recycling, as well as bulk items, should be placed at the curb the night before your regular pick up. Also, please take advantage of our Recycling Center, open year-round, located at 90 Elm Street (Mon.-Fri., 8am-12 pm; Sat 8am- 1:45pm).

Bulk Items Include: Mattresses, box springs, furniture, metal, plastic, tires (limit 2, rims removed), refrigerators, stoves, washers/dryer (doors must be removed), lawnmowers/tractors (gas must be removed).

Bulk Items DO NOT include: Construction & demolition materials such as sinks, toilets, counter tops, doors and windows; yard waste, any hazardous materials.

Wood Items: Wood items are not considered bulk and can be placed at the curb weekly on your regular sanitation day. Wood and branches (must be bundled) must be cut up to 3-4 foot sections.

Bulk Trash is Not Intended for Whole House Cleanouts.

The Department reserves the right to deny pickup of bulk materials in excessive quantities. For whole house cleanouts and excessive amounts, residents will need to obtain a dumpster at their own expense.

2026-27 CT Energy Assistance Program to Begin Sept. 29th

North Haven: Starting on Sept. 29th, the Town of North Haven's Community Services office will begin conducting residents' appointments for the CT Energy Assistance Program (CEAP). Please note that depending on how you heat your home will determine your appointment time. Appointments will be conducted by phone on Tuesdays and Wednesdays from 9am-11:15am.

If you heat with oil: Call Community Services **after Labor Day 2026.**

If you heat with gas or electric: Call Community Services in **January 2027.**

If your heat is included in your rent: Call Community Services in **January 2027.**

Note: Your original lease that shows your heat is included in the rent will be required

Eligibility is based on total annual income of household members. To see if you qualify, for further explanation or to schedule your phone appointment, call Community Services at (203) 239-2566 any time between 9am-4pm, Monday through Friday.

Items Requested to Replenish Food Bank

North Haven: The Department of Community Services Food Bank is currently seeking assistance in replenishing several much-needed items, including pasta sauce, flavored rice, baked beans, canned chili, canned fruit, cookies, Pop-Tarts, peanut butter crackers, and cheese cracker snacks.

An Amazon wish list has been created to allow donations to be shipped directly to Community Services.

To access the wish list, select "Registry & Gift List" on the Amazon home page, click "Find a Registry," and search for "North Haven CS Food Bank."

Donations can also be made directly through the following link: https://www.amazon.com/registries/gl/guest-view/22SWBOJQ9FKB4

In addition, donations may be dropped off at the Department of Community Services, located at 5 Linsley Street, during business hours Monday-Friday from 9am-4pm.

For questions regarding donations, or for residents interested in accessing the food bank, please contact Robert Snurkowski at the Dept. of Community Services, Mon.-Fri. at (203) 239-5321 ext. 8502.

Corn Shelling Demo at North Haven Fair

Pictured: Walt Brockett demonstrates an antique corn sheller.

North Haven: Within the Old MacDonald's Farm section of the North Haven Fairgrounds sits the Barlett Antique Barn filled with farm equipment from the past. Visitors are quite amazed to learn how farming tasks were done well before current technology provided automation. Within this collection is an antique corn sheller which was used to remove the dried corn kernels from the cob. Farmers used shelled corn to feed many farm animals.

Having grown up on Arrowdale Farm, one of North Haven's oldest dairy farms, Walt Brockett enjoyed demonstrating how the sheller works. A hand crank is used to bring the gears up to speed. Then the cob is inserted into the machine and the kernels quickly drop out into a bucket, and the empty cob comes out the other side.

Children and adults were amazed at how fast and efficiently the hard, dried kernels were removed and how clean the cob was when the job was done.
