K of C Council 14664 Selects The Bruchansky's As November's Family Of The Month

Hamden: Peter and Ann have been and continue to be very active in the St. Paul VI parish. Peter is an active member of the Knights of Columbus and served as a Eucharistic Minister for 18 years at St. Rita's. Ann was a founding member of the Columbiettes Council at St. Rita's church. Ann continues to be very active with the Alpha program – since 2021, serving in every role but excelling in the hospitality co-coordinator where each week she assists or coordinates meals for her Alpha guests (ranging in number from 80 to 100 guests). Both Peter and Ann were active St Rita's school parents who chaired events to benefit not only the school but those students who attended. How fortunate the St. Paul VI parish is to have a couple that is willing to share their talent, treasure, and time to help their fellow parishioners. Calling upon the Bruchansky's to assist in coordinating an event is sure to promote the inviting and welcoming feeling so very much appreciated by all.

Town of Hamden Guidelines For Fall & Leaf Brush Collection

Public Works and Parks Director Joseph Colello announces the scheduling of Fall leaf and brush collection and would like to remind residents of the guidelines. Leaf and brush collection is now underway. Hamden Public Works will make two sweeps throughout the Town, weather permitting.

A fall leaf and brush collection routes map will be posted on the Town's Public Works website (hamden.com/219/Public-Works). This map will be updated each day to reflect progress. One crew starts their leaf and brush collection from the south end, and simultaneously a second crew starts their leaf and brush collection from the north end.

Leaves must be placed in paper bags (not plastic) and brush must be bundled and tied with string or twine. Bundles should weigh no more than 50 lbs., exceed no more than four (4) feet in length, and contain no pieces in excess of four (4) inches in diameter. Bundled brush and bagged leaves should be placed curbside separate of each other and away from October bulk pickup items. No items should be placed in the street or in any way block a sidewalk. Disposal of root systems, grass clippings and soil are prohibited.

Director Colello would like to remind residents of the requirement to bag all leaves and yard waste. Only those residences where all occupants are physically disabled or unable to bag their leaves, and have provided the necessary documentation to the Town, may rake their leaves to the curb (pursuant to Section 52 of the Code of Ordinance of the Town of Hamden). This greatly speeds up the process and allows all residents to have their leaves and yard waste picked up in a timely manner.

For questions regarding curbside leaf pick-up eligibility documentation, please contact the Town Attorney's Office at (203) 287-7050.

Leaves cannot be picked up from private roads or from roads that have not been accepted into the Town road system. Residents on unaccepted and private roads may bring leaves to the Transfer Station.

The entrance to the Hamden Transfer Station is located at 231 Wintergreen Avenue. Their normal hours are Monday-Friday, 7:30am-11:30am and 12:30pm-3pm and the first Saturday of each month from 8am-11:45am.

Hamden Public Works is offering additional Saturday hours at the Transfer Station on Nov. 23, Nov. 30, Dec. 7, Dec. 14 & Dec. 21, from 7:30am- 11:30am & 12:30pm-3pm.

For further information, please contact the Public Works Department at (203) 287-2600.

HAMDEN PUBLIC LIBRARY

ASTRONOMY NIGHT SPACED-THEMED FESTIVAL

The cosmos, and our investigation of it through the night sky, is central to humanities' understanding of its place in the universe. This curiosity yields mathematical developments, and it is foundational to many philosophical and spiritual beliefs. It inspires creative endeavors in every artistic medium.

To pursue and encourage this wonder, Hamden Public Library is presenting Astronomy Night, a free astronomy and space-themed festival for all-ages, on **Tues., November 19,** from 3pm-7:45pm at Miller Memorial Library, 2901 Dixwell Avenue, and in the Hamden Town Center Park.

The festival features stargazing with the Astronomical Society of New Haven and Shoreline Astronomical Society, a presentation by Physicist John Staunton, an all-ages exoplanet activity, and other space-themed activities for children.

Jupiter, Saturn, Neptune, Uranus, and Pluto will all be visible in addition to numerous major constellations.

Please contact the library at (203) 287-2680 if you have any questions.

New Collection Method for Bulk Trash in Hamden

Upon the conclusion of the October 2024 Bulk Trash Pickup Program, the Town of Hamden will move towards a new method of collecting residential bulk trash by appointment-only.

The appointment-only bulk trash pickup program will take effect January 1, 2025.

Moving forward, residents may receive one (1) free appointment-only bulk trash pickup between January 1, 2025 and June 30, 2025. Residents may receive two (2) free appointment-only bulk trash pickups within each of the subsequent contract years, from July 1 to June 30 of each year, e.g. July 1, 2025 to June 30, 2026 and so forth.

To receive a bulk trash pickup, Hamden residents should make an appointment by contacting All American Waste at (203) 503-3782 no later than 1pm on the day prior to your regular trash collection day. Please place your bulk trash at the curb for collection before 6am.

All American Waste will maintain a record of all resident bulk trash pickup requests and will provide the Town with this information on a weekly basis.
