Hot Rod Party - Animal Shelter Donation

North Haven: On December 14th, Larry Geraci of Northford once again hosted his "Bones Annual Christmas Party" to benefit the North Haven Animal Haven and the Wallingford Animal Shelter. A mild weather evening attracted over 80 or so Hot-Rodders, family and friends to Larry's garage bringing their donations of food, blankets, treats and toys. Bags of dog and cat food arrived early this year while car guys from out of state that could not attend sent their donations by mail or dropped them off by the front door. On the night of the party, car talk and pizza flowed freely but all eyes were on the growing pile of donations. Larry and crew, delivered 2300 lbs. and $1000 to Animal haven and the Wallingford shelter in his vintage Ford pick up truck prior to the New Year.

Town Issues Reminder on Clearing Sidewalks

Wallingford: Mayor Vincent Cervoni has issued a reminder to all Wallingford residents, property owners, businesses and occupants of properties regarding their responsibility for the care of the abutting public sidewalks.

Municipal Ordinance #198-11 requires that snow and ice be removed from the sidewalk by the abutting property owner, following the end of the storm. Sidewalks must be cleared of any snow or ice, within eighteen (18) hours after the end of the storm. If the storm ends at night, the deadline for removal of any snow and ice will be eighteen (18) hours after sunrise.

The minimum cleared width of the path shall be three (3) feet. In no case shall snow from private property be deposited in the public roadway.

In the event that the ice cannot be removed, the property owner must make the sidewalk safe and passable, which may include the placement of sand or other suitable deicing materials.

Failure to comply with the provisions of this Ordinance can result in a $25.00 per day fine for each day the snow is not removed and the actual cost for the Town to clear the sidewalk.

The Mayor has asked for everyone's cooperation on this important issue.

Questions concerning this Ordinance may be directed to the Town of Wallingford Department of Engineering at 203-294-2035.
