SMITH LIBRARY CAN HELP YOU CONNECT WITH IRS TAX ASSISTANCE

Need help filing your income taxes? The IRS Volunteer Income Tax Assistance (VITA) program offers free help in preparing and filing state and federal income tax returns, for those in need.

The North Branford Public Libraries can help you connect with this IRS program. Call Smith Library for contact information of the VITA Coordinator.

VITA is not an in-person program - all returns will be completed virtually by IRS-certified preparers working remotely.

• Clients must have a valid email address to send and receive tax documents.

• The library can help you scan any documents, including last year's income tax return(s) and any forms showing income and potential deductions.

• The library will not email client documents to the volunteer tax preparers - clients must use their own email accounts.

Call Smith Library at (203) 484-0469 for the tax preparer's contact information.

The library also has copies of federal 1040 and 1040-SR tax forms, and CT-1040 state forms.
