North Haven Garden Club participated in The North Haven Conservation Commissions Earth Day 2025 celebration on Saturday April 26th at the North Haven Parks and Recreation Center. Members of the North Haven Garden Club had posters on pollination and highlighted the Pollinator Pathway Project, how you can join and put your garden on the North Haven Page. Gerri Giordano put together a large map and highlighted all the clubs gardens, the towns gardens and many other gardens that requested to be part of the project along with posters of the "nip problem" and "balloon release" were highlighted and were loaded with information. The Junior Garden Club had a table that highlighted all their activities, gave out seed packets and information about the JGC. The Junior Garden Club was started in 2019 and is going strong. We meet Saturdays at the Faith United Methodist Church on Clintonville Rd. If you would like any information on the Junior Garden Club please contact nhgc.jgc@gmail.com

North Haven Garden Club members who participated were Gerri Giordano, Cindy Golai, Noreen Adley, Katie Fritzal, Marge Quinn, Lee Fermo, Angela Buzzelli, Cindy Adinolfi, and Linda Lianos.
