Pictured: Green Acres Elementary School 5th-grade teacher Laura Donle (left) and her class join North Haven lawmakers State Sen. Paul Cicarella (second from left) and State Rep. Dave Yaccarino (far right) at the State Capitol on May 12. The group participated in a tour of the Capitol, followed by a Q&A session about the legislative process with the

lawmakers.

"It's always inspiring to see young people so eager to learn about our state's government and the principles it was built upon. Thank you to Mrs. Donle and the incredible students of Green Acres for such a meaningful visit!" said Sen. Cicarella and Rep. Yaccarino.

Ridge Road PTA Celebrates Hope Garden Bloom

North Haven: Ridge Road PTA, with support from The Yellow Tulip Project, has planted a garden of 500 yellow tulips at the entrance of Ridge Road School. The yellow tulips are a bright and inspiring reminder of the power of hope, community, and growth. In honor of Mental Health Awareness

Month, each classroom was invited to participate in special activities around the theme "Hope in Bloom." Students spent time outside in the garden creating poems and art around this theme. The garden includes a welcoming Yellow Hope Bench, generously donated by the 2025 Fifth Grade class.
