portunity to give the Rebels an early 1-0 lead. Just minutes later, Allie Boniello doubled the advantage with 3:10 left in the quarter, driving a shot from the top of the circle into the cage.

The Rebels maintained control throughout the game with disciplined defense and effective ball movement. In the third quarter, New Fairfield added an insurance goal when Maeve Buttafuoco scored on a penalty corner with 5:04 remaining, finishing a setup from Cara Talbot to make it 3-0. The defense stood tall throughout the rivalry matchup, shutting down New Milford's attack and preserving the shutout. Strong communication, teamwork, and execution on corners helped power the Rebels to another impressive victory.

The New Fairfield U9 Boys came ready to play this weekend, and they delivered with an exciting 5-2 victory over Litchfield!

From the opening whistle, the boys showed the results of all the hard work they've been putting in at practice. Our defense-first approach set the tone, limiting Litchfield's attacking opportunities and allowing us to control the game.

Once we settled in, the team really began to shine. The boys spread the field, maintained their shape, moved the ball with purpose, and connected pass after pass to create quality scoring

chances. Rather than relying on individual play, the goals came through teamwork, movement, and everyone doing their part.

What stood out most was how well the boys played as a team. They supported one another, stayed disciplined, competed hard, and played with confidence from start to finish.

It was a great team performance and a well-earned win. We're incredibly excited to see this group continue developing their skills, confidence, and understanding of the game as the season moves forward.

FALCONS WEEK 5

NF Falcons Travel to Oxford in Pouring Rain for Week 5

The D8 cheerleaders had a blast staying dry while cheering at the 9U game.

YOUTH SOFTBALL
