| 1 | Mr. Orzo and Mr. Kaminsky | I had you guys for two years in a row, and your classes were truly the greatest I've ever had.  |
| 2 | Mrs. Daher                | I had no idea what creativity meant until I took your class, and I'm thankful to have you.  |
| 3 | DOMUS                     | This has been the best program at Westhill, and I'm delighted to be a part of it. YBG's (my friend group's name): Shoutout to all my friends who supported me. It was a blast hanging out with y'all at school and outside of school. |
| 4 | Westhill                  | I am extremely appreciative of all of the memories I have made over the past four years.  |
